

What Is Club Blue?

Club Blue is a social networking group for young professionals that drives awareness and raises funds for Boys & Girls Clubs of Metro Atlanta (BGCMA). We volunteer our time and expertise to give back to BGCMA through a variety of service activities. We engage in networking socials and special events that ultimately benefit local underprivileged and at-risk children. We party with a purpose to help change lives.

Is there a Membership Fee?

Yes, it's \$35 annually per Club Blue member. Memberships will be renewed one year from the date you join. Members get special discounts to our social networking events and they can join our leadership committees! Plus, it's just cool to be a member - everyone is **Blueing** it!

What Activities Does Club Blue Support?

Club Blue hosts approximately six social networking events and a major fundraiser each year. The organization also provides volunteer mentors for BGCMA kids, participates in the annual Adopt-A-Club program that matches corporations with families for the holidays and assists with BGCMA's annual golf tournament. And - this is only the beginning!

The Club Blue Promise

We will implement social networking and community service activities that connect young professionals who are committed to making a difference in the lives of children in the Boys & Girls Clubs of Metro Atlanta.
